Kindergarteners Visit the Apple Orchard

On Thursday September 19th, the Kindergarten classes went on a field trip to Chapin Orchard. We had a beautiful day of apple picking, cider making, and we learned about the important part that bees play in the life-cycle of an apple. A highlight of the trip was riding the bus; it was the first bus experience for many students. A special thanks to all the chaperones who helped make this such a memorable day!

J.J Flynn School
Parking Lot Expectations

School parking lots can be incredibly busy places in the morning when children arrive and in the afternoon when children are dismissed.

Safety is a primary concern of the school staff, but it requires everyone's participation. Please be patient, respectful, and courteous to each other while picking up and dropping off your student(s) to and from school.

By being a positive role model you can help our students learn safe procedures. Please review the following expectations below.

Students should not be walking in or through the parking lot (blacktop), unless accompanied by an adult.

- All students, families and adults should **follow the directions** of the Crossing Guards, Student Safety Patrol, and Flynn Staff.
- Drivers should not go faster than 10 MPH in the parking lot.
- Refrain from using cell phones while in the school zone, especially while dropping off or picking up your children.
- If a child is not able to get out of the vehicle by themselves, the driver must park and walk the child to the sidewalk.
- Bicycles must be **walked** on school property at all times.
- There is no supervision on the playground until 7:50 am in the morning. In the afternoon there is supervision starting at 2:50 and ending at 3:00. Students should not be allowed to come early and stay late to play with their friends. Students must go home immediately after school for their own safety.
- Once students are on school property they must stay on school property.
- You may temporarily park along the fence when you are dropping off or picking up your student.
- Please be mindful and not park in the handicap parking spaces that are clearly marked.
