## Parent Teacher Conferences

Flynn School will be using electronic scheduling for our Parent Teacher Conferences on **Monday November 25** and **Tuesday November 26th**.

Teachers are in the process of preparing their conference schedules for November 25th and 26th using an online system called PTC Fast. This system will allow you to select the teacher(s) with whom you would like to conference by registering your email address. You will be able to view and select an available conference time that works for you.

### Please Note:

Families that have more than one child attending Flynn can start signing up on Saturday, November 9th for their conferences.

General Scheduling will begin on **Tuesday November 12th**.

The web link for Flynn School Parent Teacher Conference Scheduling is available on the Flynn Home Page.

Please note that if you are not able to access this system via the internet, you will be able to call Karen Priebe at 864-8478 in the office any time Monday through Friday between 9am and 2pm to schedule your conference(s).

## Flynn School Play This Weekend

## Fourth Graders Field Trip

This October, the grade 4 students had the opportunity to visit the Winooski One Hydro Plant and the McNeil Generating Station. These field trips supported our research around renewable and nonrenewable energy and helped students begin to answer our guiding question of "how do we affect the planet by the energy we use?".

At the Winooski One Hydro Plant, students took a tour of the facility and learned how the energy from water is used to make electricity and they were also able to recognize the similarities between hydropower and windmills.

At the McNeil Generating Station students wore hardhats and safety goggles as they toured the facility and learned how biomass is used to make electricity all the way from its initial transport on trains to the various buildings across the city.

## Affordable Home Internet Service

Students and families that qualify for free/reduced lunch qualify for high-speed internet service for \$9.95 per month with an option to purchase a desktop or laptop computer for \$149.99. Stop by the Flynn office for more information.
