## Program Updates

It's here! It's happening! The brochure for Session 1. We've been hard at work hiring and onboarding staff to offer new and familiar programming to students this fall semester. Session 1 will run from October 1 through December 8. Please note that

**KINDERGARTENERS DO NOT SIGN UP FOR SESSION 1 ACTIVITIES.** Through the holiday break, they will be continue in K Club with Mr. Dave.

We are offering both digital and paper versions of the brochure this year, so feel free to use whatever format is easiest for you.

Please note that activities have limited capacity based on staffing, so your child may not get their first choice. We will put them on the "waitlist" for their first choice in case another student switches out.

BROCHURE!**

**Sometimes students end up in a class that just isn't the right fit for them. We ask that all students try the class they are in for the first week. After trying the class we allow for a switch to a different class if space allows. We only do switches during the second week of the session. In an effort to maintain clear and accurate attendance sheets we are asking that kids limit their class switches.**
